I am extremely sorry that I missed seeing you on your recent trip to Washington while I was in the far north. Pearre Cabell tells me he had a good visit with you although your stay here was much too brief.

I found the trip to the North Pole and along the DEW Line most informative and interesting and recommend it to you sometime when you have the opportunity.

With every best wish and the hope that there will be an early occasion for us to get together.

Faithfully yours,
